# BRUNEL DE LA GARDINE

Vignoble en Vallée du Rhône

AROMATIC &  
FULL BODIED

## CORNAS

### TERROIR

The name Cornas means "burnt earth", a phrase that fully reflects its terroir marked by exceptional sunshine due to the South - Eastern exposure of the vineyard. The soils are planted on particularly steep terraces, supported by stone walls. Cornas wines are exclusively red and vinified from the Syrah grape variety.

### GRAPE VARIETIES

- o Syrah

### WINE MAKING

Fermentation for 3 to 4 weeks, 12 months barrel aging.

### TASTING

*Appearance:* deep garnet-red.

*Nose:* lots of intensity with black fruit and spicy aromas. It also displays floral notes of violet. It can be aged developing aromas of leather and liquorice.

*Palate:* strong tannins allowing a long aging. Complex with a strong body, it shows all the richness of the Syrah.

### SERVICE

Best served between 16°C and 18°C.

### AGING POTENTIAL

From 15 to 20 years.
