BRUNEL DE LA GARDINE

Vignoble en Vallée du Rhône

HERMITAGE

TERROIR

Protected from the Northern wind, the vineyards are located on the South facing slopes and benefits of a lot of sunshine. The vines are located on granitic soils

CEPAGES

- o Syrah

WINEMAKING

Low yields with very good quality and concentration of grapes during the harvest.

TASTING

Appearance : deep purple.

Nose : concentrated, a real fruit explosion. Black fruit, spices, and violet flower with a hint of ink and animal notes. Ageing will develop leather and black truffle notes.

Palate : elegant, powerful, and full-bodied, this wine has very silky tannins and is very well balanced.

SERVICE

Best served around 18°C. To be paired with a Provençal beef stew (« Daube provençale »).

AGING POTENTIAL

From 15 to 25 years.
