WINEMAKING

Light schist and gneiss soils on a granitic bedrock. Exposure: South / South-East Altitude: 200-250 meters.

TASTING

Appearance : deep bright garnet-red.

Nose : very seductive. Fruity expression with blackcurrant and violet flower notes. With a bit of bottle ageing, these will evolve towards some leathery and liquorice notes.

Palate : generous and dense with fine tannins. Very harmonious, without being too corpulent.

SERVICE

Best served around 16-17°C. To be paired with Rosemary steak "à la plancha" or Provençal crespèu & summer BBQ.

AGING POTENTIAL

From 5 to 8 years.
